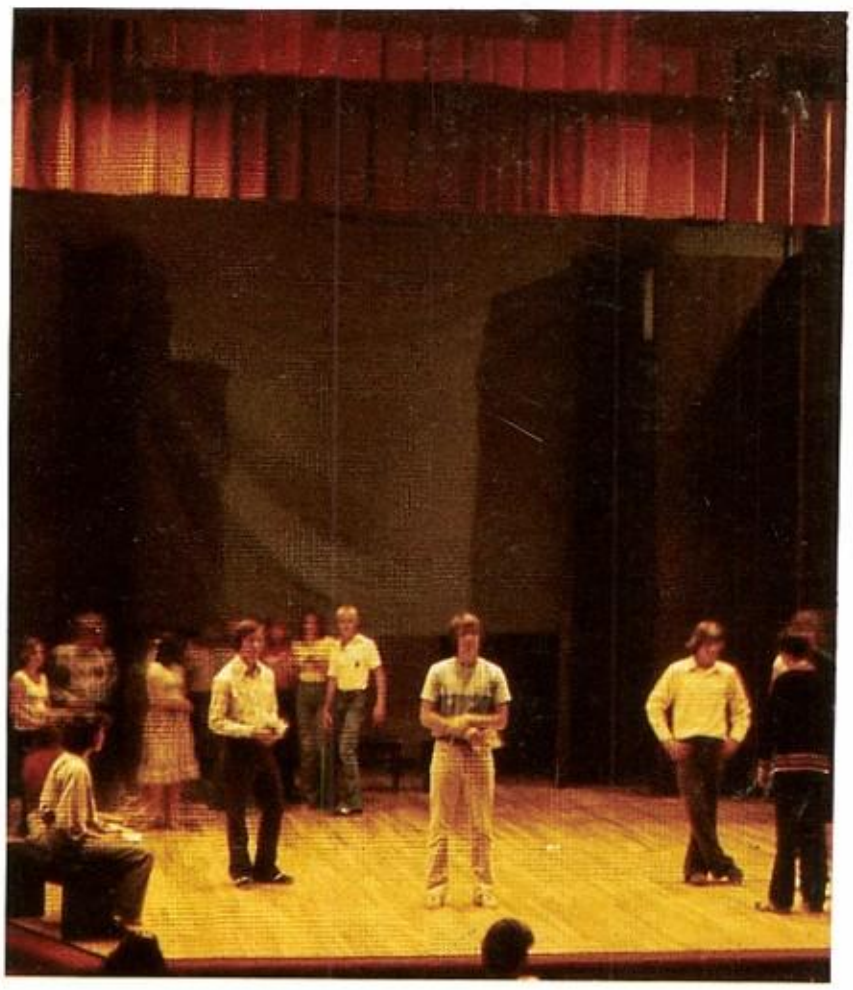
Be a Friend

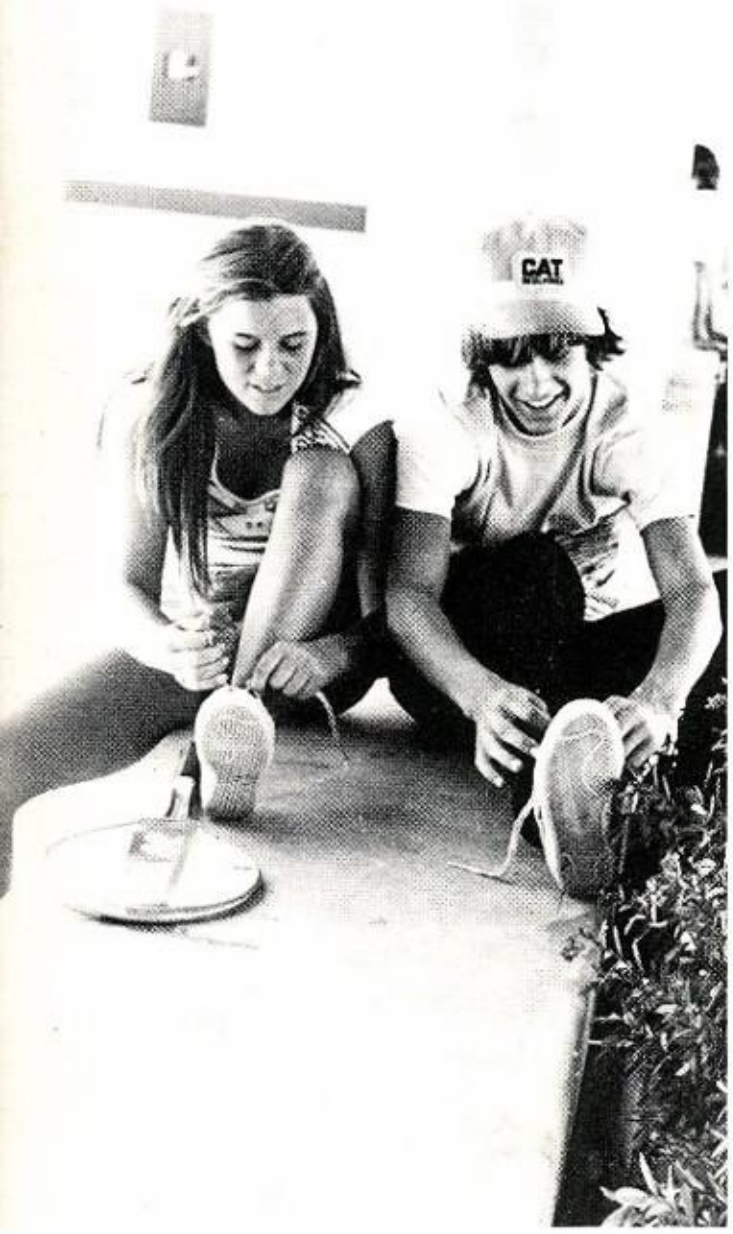
Be a friend. You don't need money
Just a disposition sunny
Just the wish to help another
Get along some way or other,
Just a kindly hand extended
Out to one who's unbefriended,
Just the will to give or lend
This will make you someone's friend.

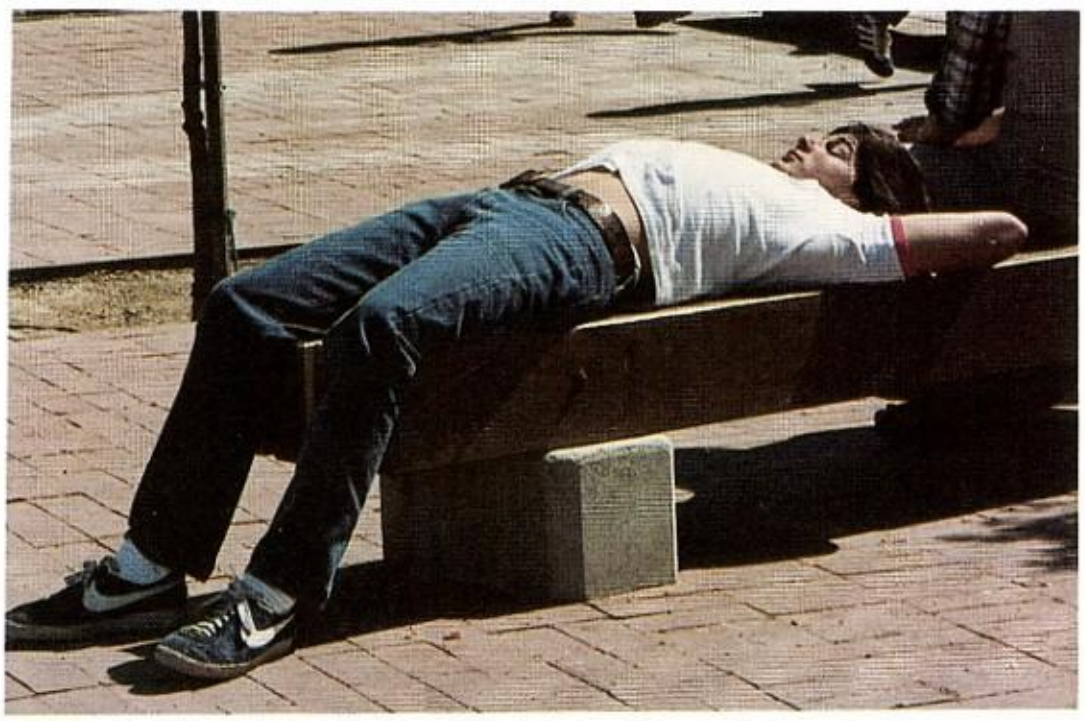
Be a friend. You don't need glory
Friendship is a simple story,
Pass by trifling errors blindly
Gaze on honest effort kindly,
Cheer the youth who's sadly sighing,
Just a little labor spend
On the duties of a friend.

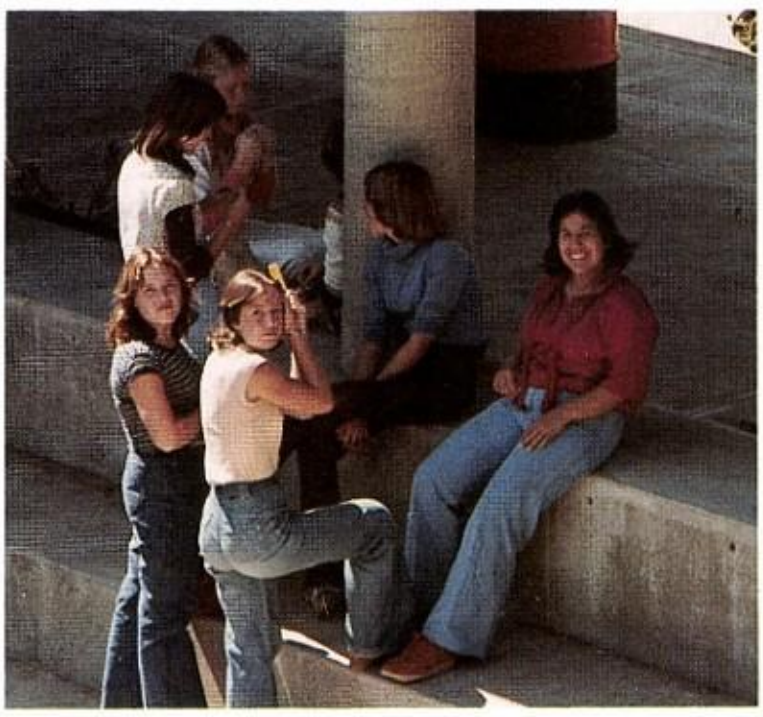
Be a friend. The pay is bigger
(Though not written by a figure)
Than is earned by people clever
In what's merely self-endeavor.
You'll have friends instead of neighbors.
For the profits of your labors;
You'll be richer in the end
Than a prince ... if you're a friend.



KICKIN' BACK







Special joys and special places,
Special friends together.
The moments pass so quickly,
But the memories last forever.

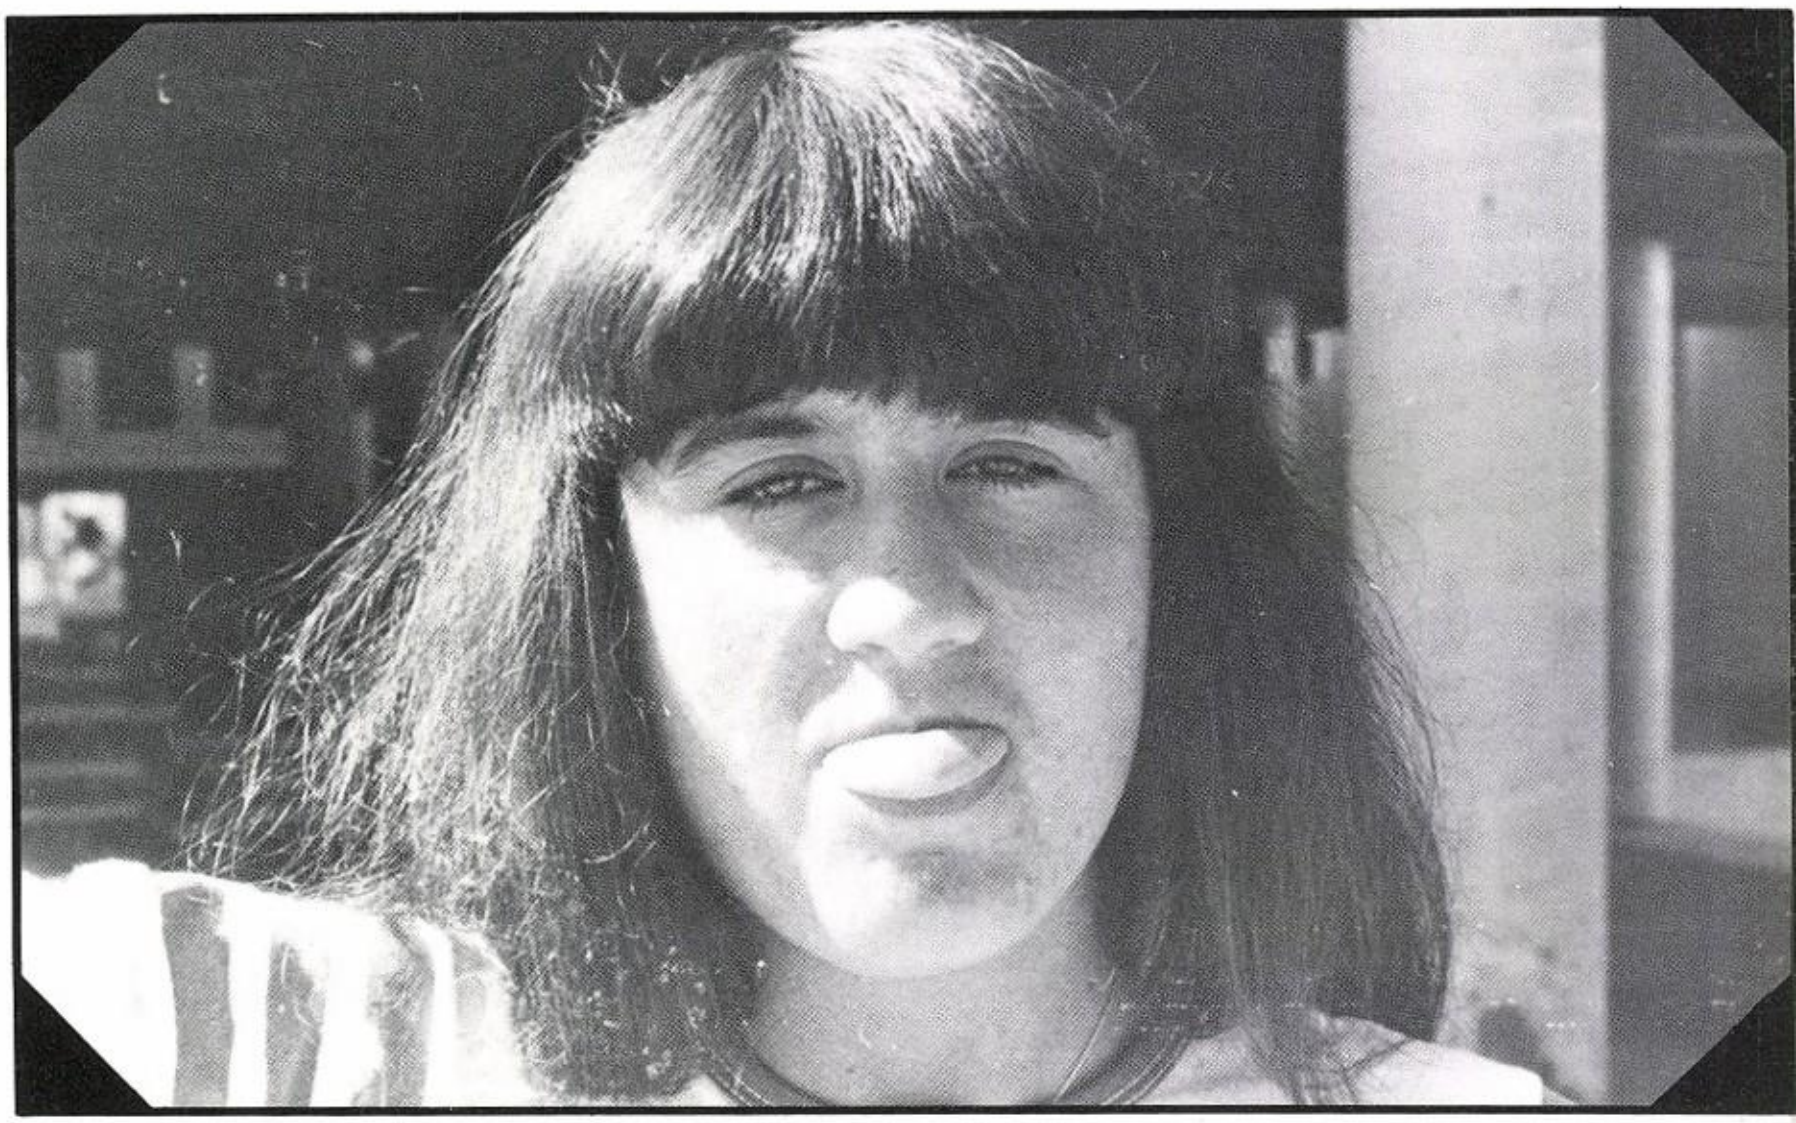
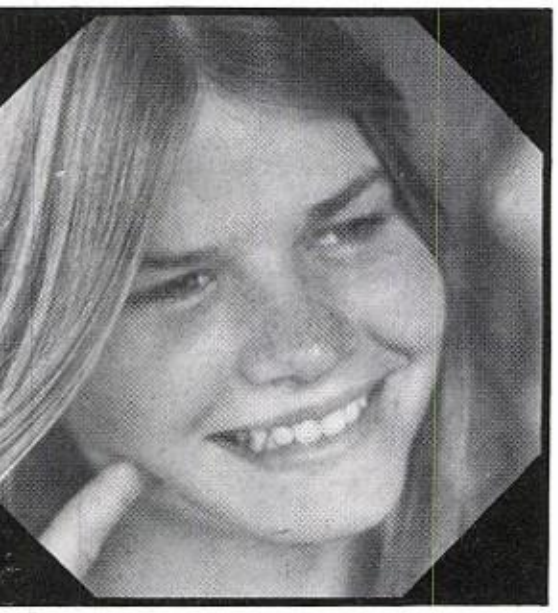
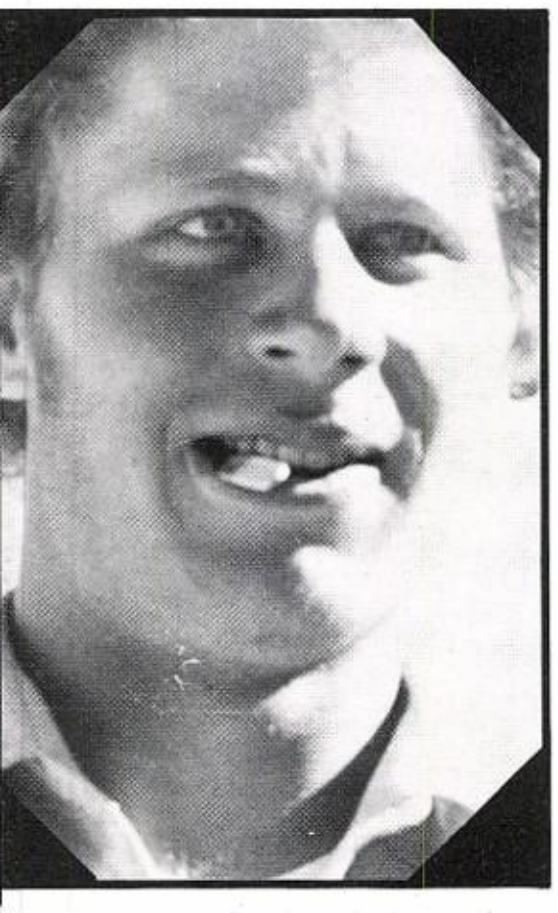
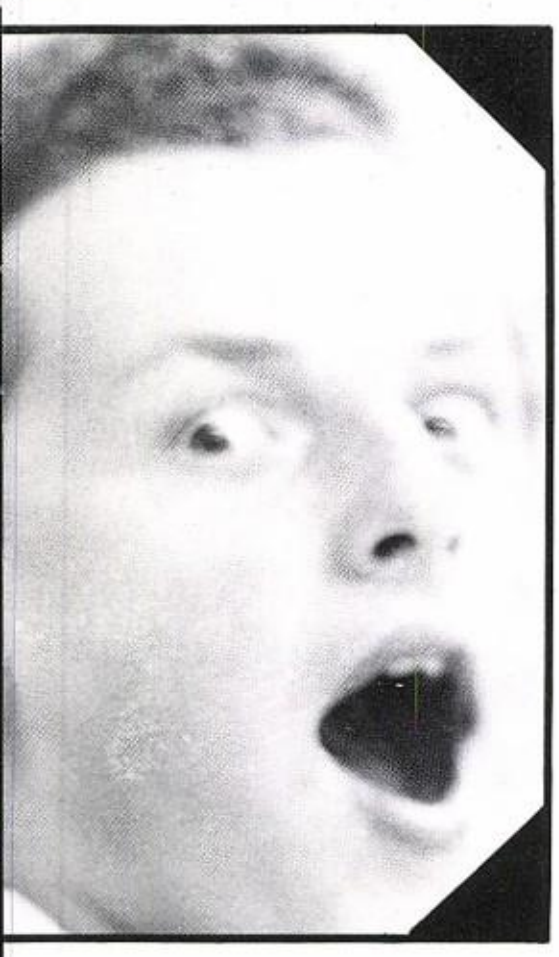
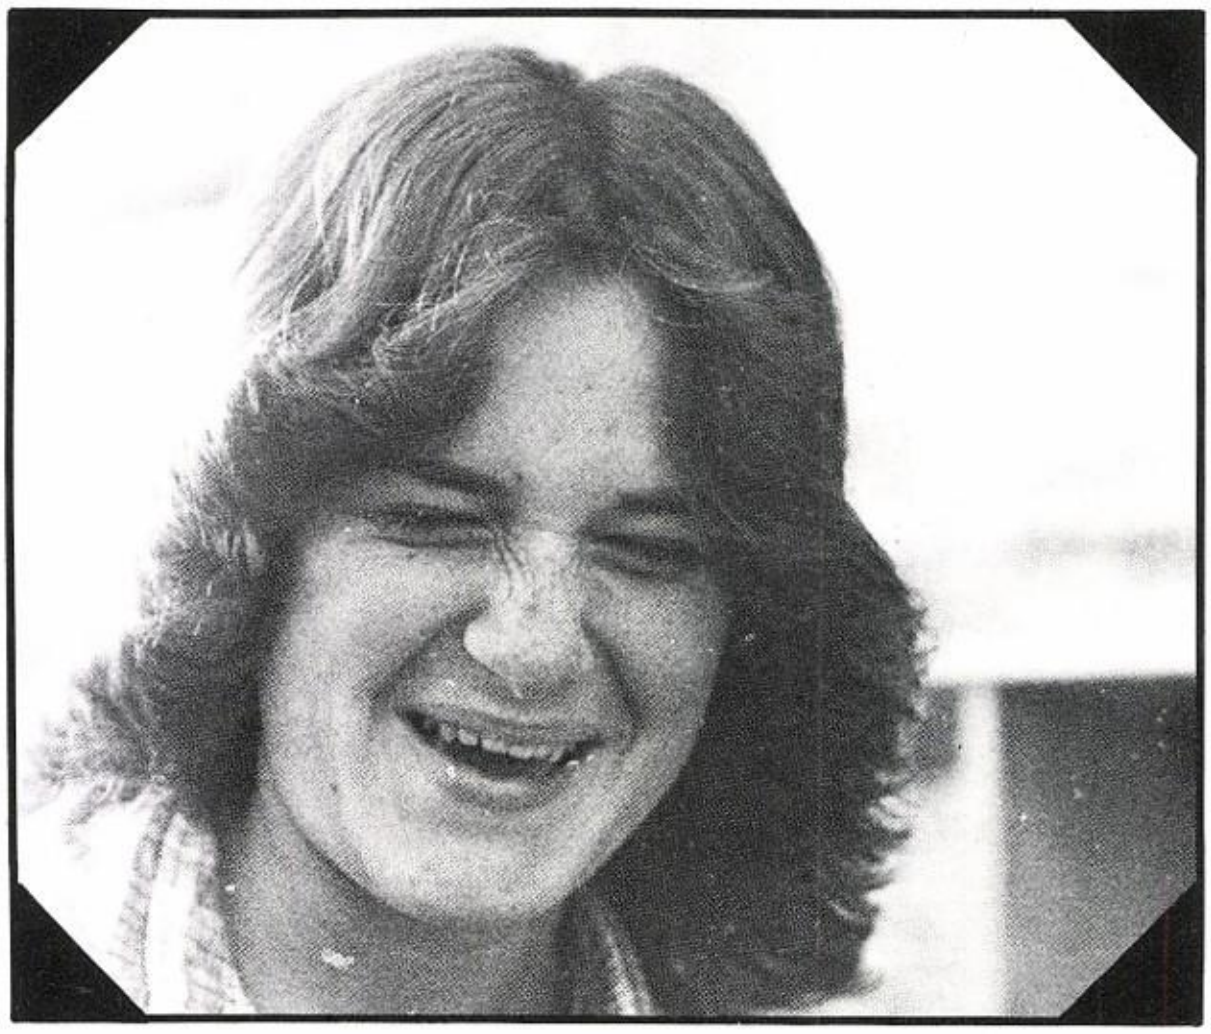
Up Close And Personal



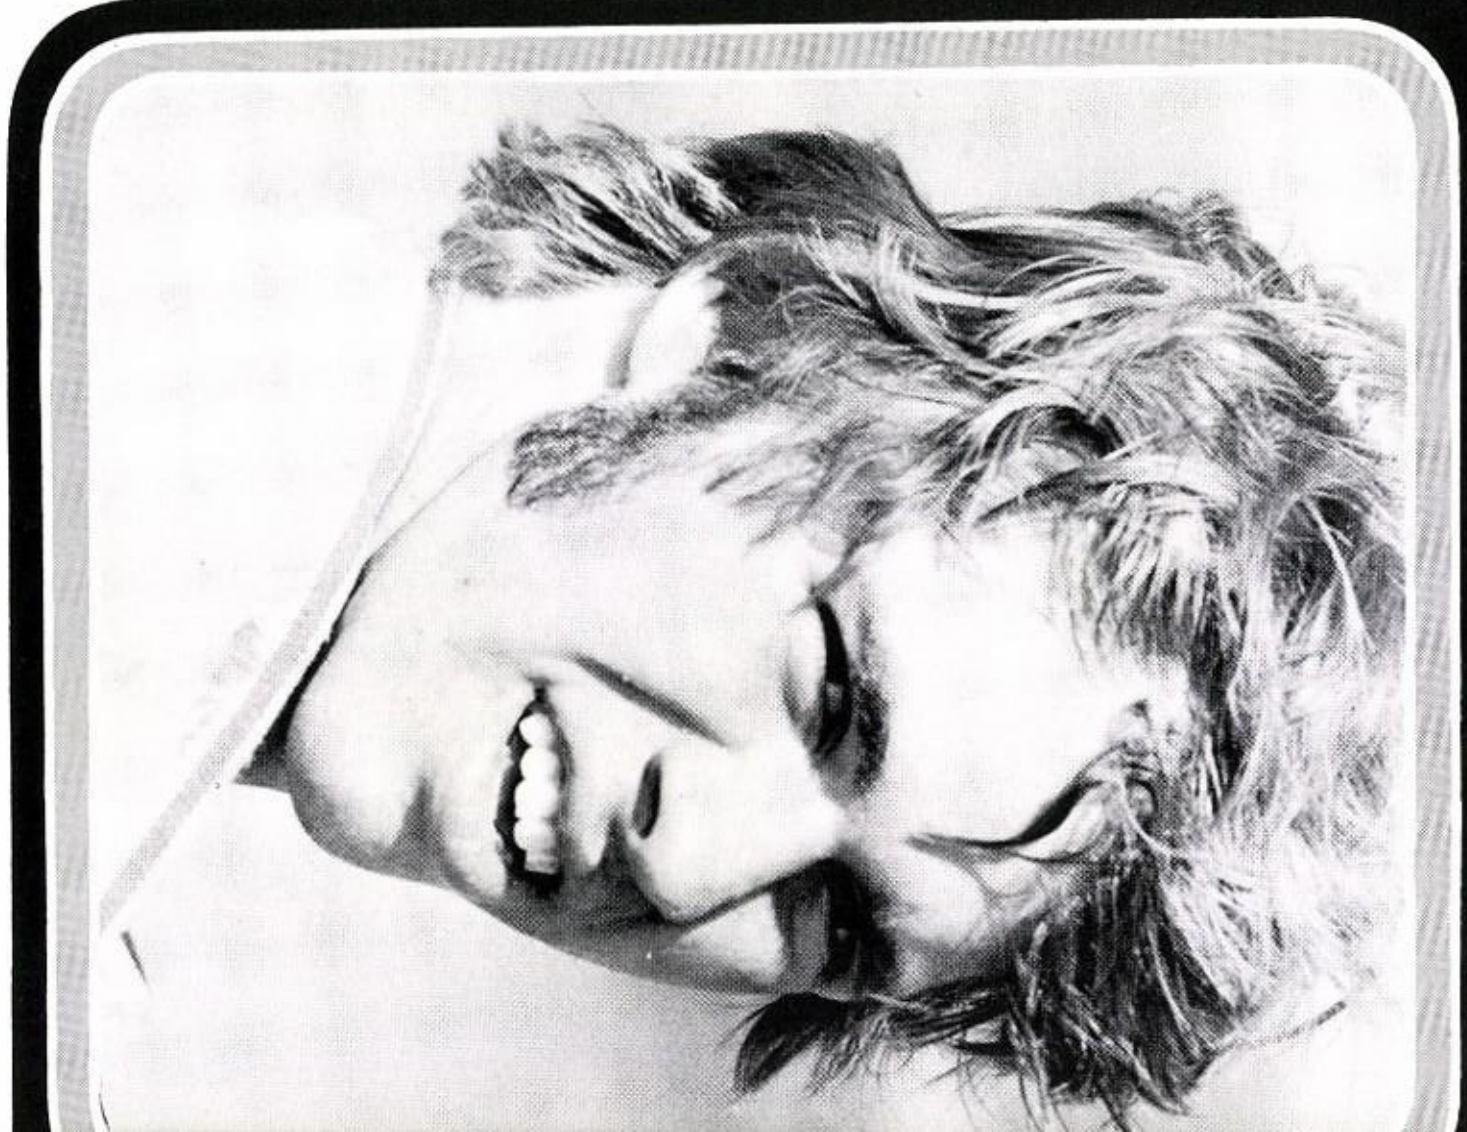


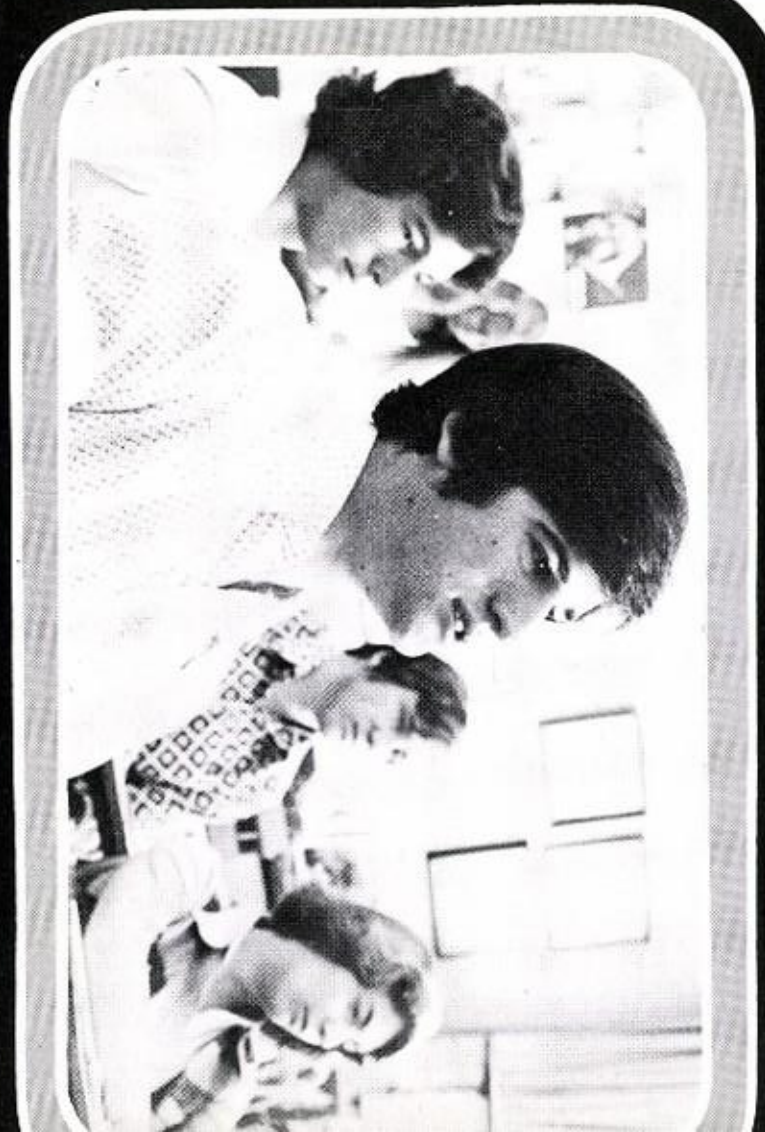


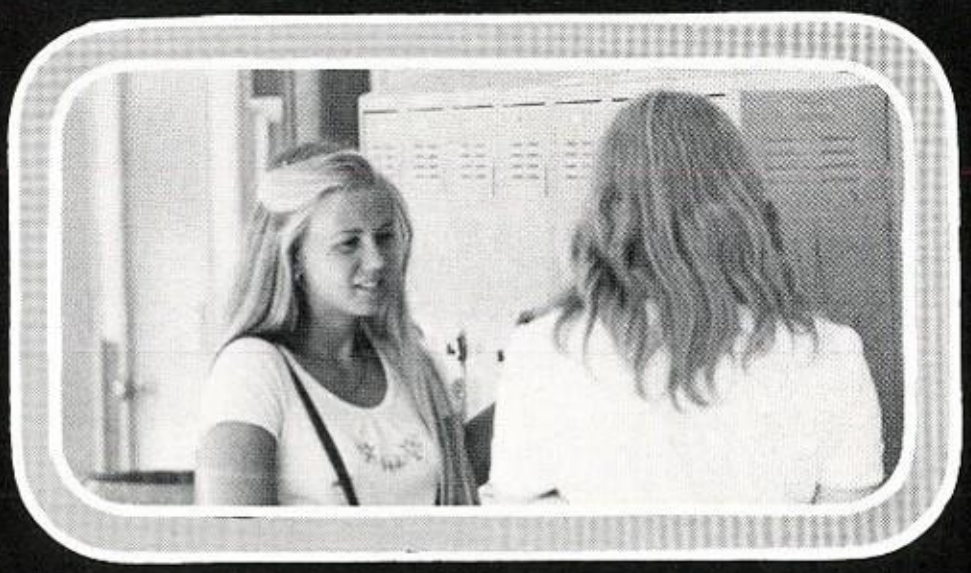


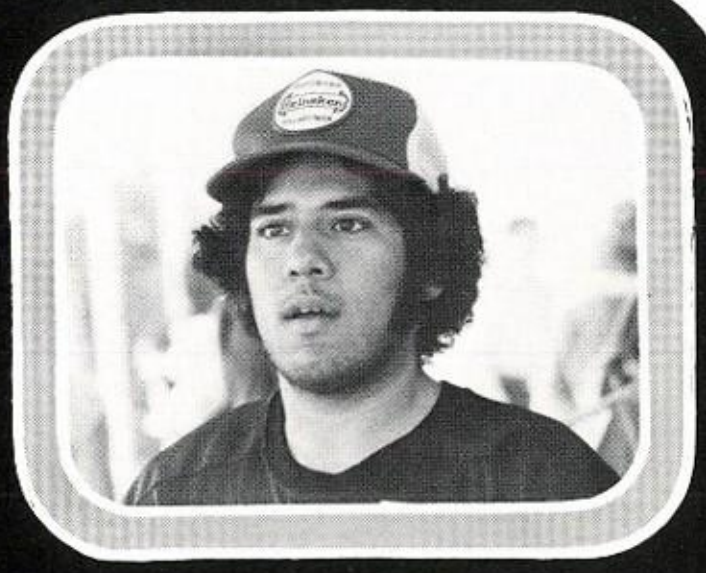


SENIORS









As your footsteps leave their final imprints,
As your eyes glance at familiar places,
As you attend your last school activity,
As you say goodbye to old friends,
This is not the end,
but the start of a new beginning,
For no one can take away memories,
Memories of the class of '79.

The 1979 Student Council proved to be a hard working and dedicated group. Because of their fantastic efforts, and in spite of proposition 13, Student Council raised more money this year than any previous years.

Throughout the year, Student Council continuously brought about many improvements and activities to the school. They painted the bleachers and the press box; they put up a new glass enclosed bulletin board in the student center; they sponsored the exciting volleyball game played by the Santa Barbara Spikers and the champions of pro-volleyball; because of their efforts, the Los Angeles Rams Football team came to play basketball against the Viking All-Stars; they also revived the election convention for 1979, after a year's disappearance. Other programs Student Council brought to the High School were the movies they showed in the Little' Theatre, which received financial sponsorship from the local Rotary Club, the John Platis Light and Sound Show, the L5 society, and an exciting, inspiring three screen film "Fat City".

Homecoming this year was a great success, thanks to Student Council. Ingeniously, they developed the "Tropical Magic" Homecoming Festival to raise money for extra-curricular activities. The local businesses co-operated in donating hundreds of dollars of prizes, and the school organizations put together booths of all kinds that added to an entertaining afternoon. To top off the fun-filled Homecoming activities was the dance. Because of the island-like atmosphere, the impressive decorations, and the outstanding music of "Omega", the dance proved to be a highlight of the year.

The Christmas formal, sponsored by the seniors, with music by "Long John Silver", was also outstanding. The Student Council, after the idea of a Homecoming King was voted down, created an April Fool's Day King (and thats no joke!).

Class competition continued to grow as a student activity. This year the senior class took the lead, as the sophomores and juniors battled for second. And as for the Freshmen, well you know your place. Aided by Student Council, was the raffle of the Chevy Luv truck. A class competition was organized for the sale of tickets. The whole event enabled the classes to donate $800.00 to the extra curricular activities fund.

The success of this year's Student Council rests on the fact that the leaders possessed an ability to relate to the students, listen to their suggestions, and create a successfully active year.

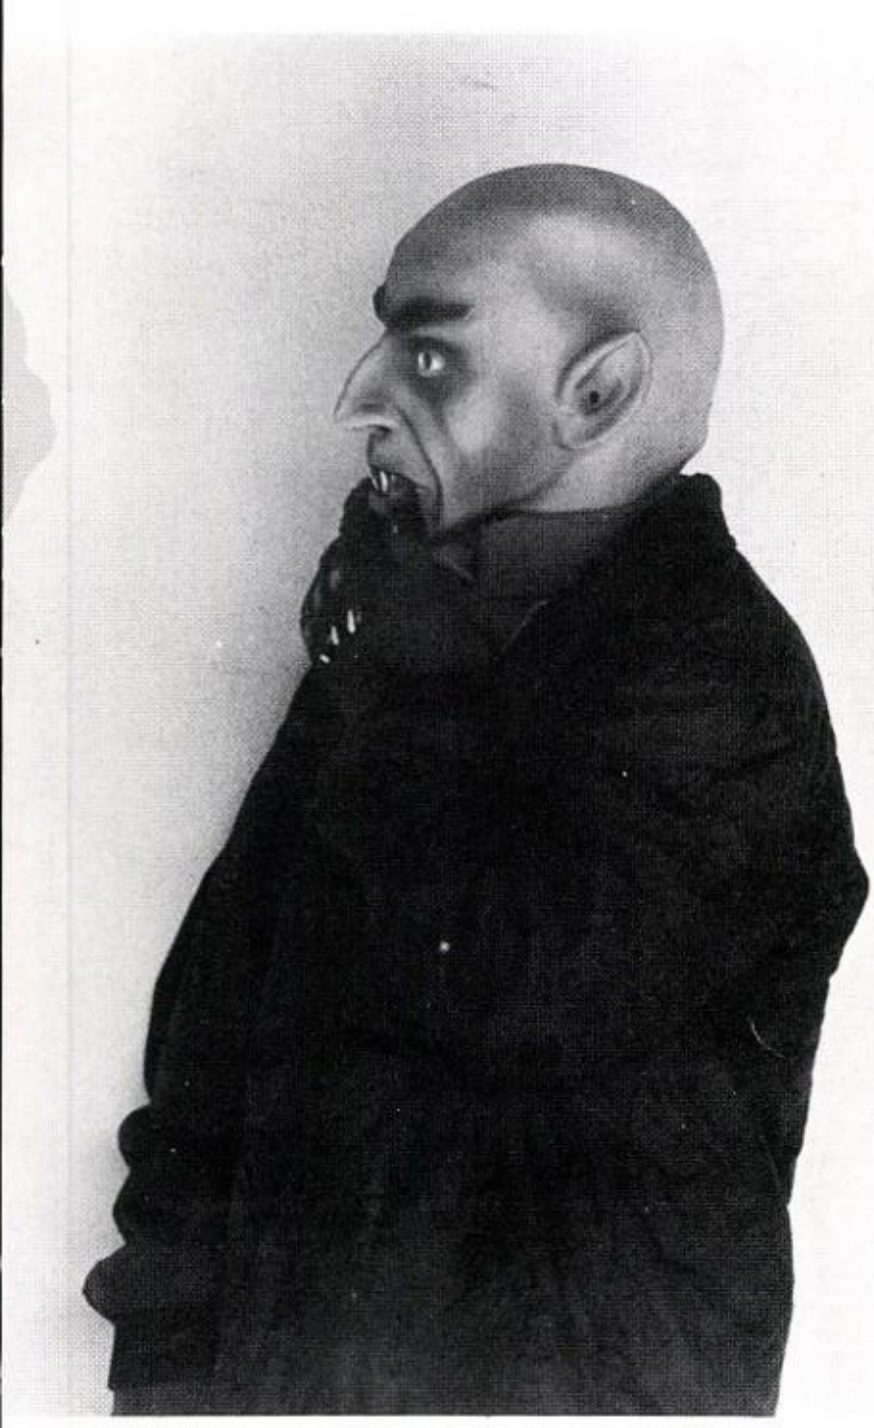
Homecoming 1978



In the past four years, Sue Cloonan has been a very active part of our school. Starting as a Freshman, she put her spirit into cheerleading, and Pep Club, which she continued until she graduated. But she did not just cheer for the sports, she participated in many of them. She received a varsity letter in softball, which she played for four years, and played basketball for two years. As far as our school government is concerned, she was in Student Council for one year. Being very active in the news part of our school, she was on our school newspaper the last year, before it was cut out because of proposition 13. As for being a queen that represented many of the parts of our school, she is a quite deserving 1979 Homecoming Queen.

The Homecoming of 1978 was really great! Throughout the week there were many class competitions. The seniors turned out to be the best competitors. Of course! The theme of the week was "Tropical Magic." Those who wanted to could dress on either "Grub Day," "Halloween Day," "Tropical Day," "Favorite Sport Day," "Twin Day," or all five. This Homecoming week was also unique because instead of having the traditional Homecoming parade, we had a carnival.

Pirates Experience Disappointing Season

The Pirates, weakened by graduation, faced an uphill battle in '78. After losing a 3-0 squeaker to Fillmore the Pirates dropped five more before sticking Needles 19-6 to provide a happy Homecoming celebration. The team then fell to arch-rival Paso Robles 18-12, but ended the season on a winning and promising note by dumping Morro Bay 20-0.

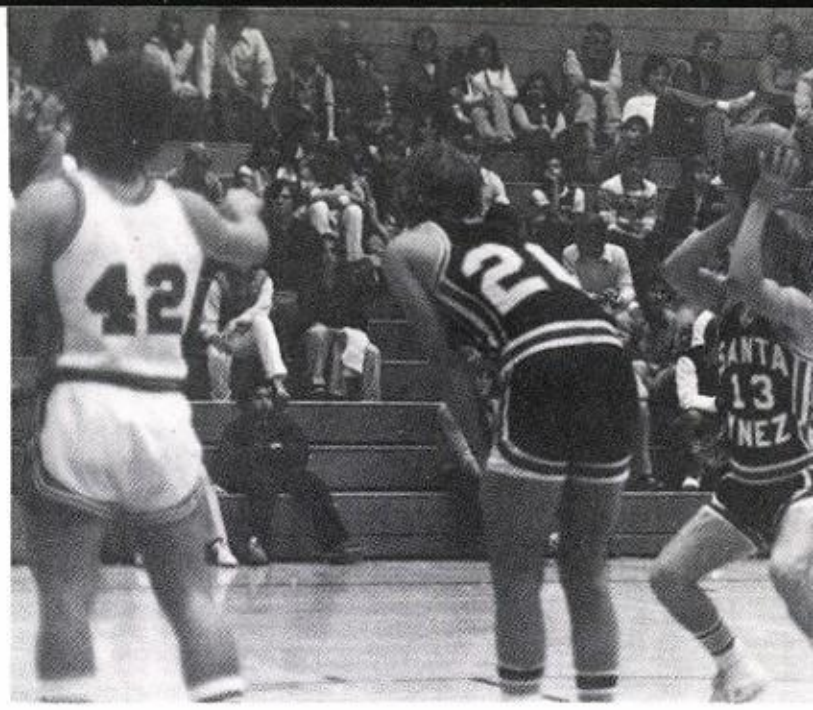
Hoopsters Make It Two LPL Championships In A Row



Riding the victory waves, the Pirates coasted to a second straight Los Padres League Championship. The bold buccaneers forced seven straight league opponets to "walk the plank" before falling victim to a rugged St. Joseph team in a game which had little meaning for the Pirates - they had already clinched the championship.

In the CIF playoffs SY convinced Calabassas 76-59, only to get nipped for the second straight year by St. Monica and their superstar, Leon Wood. The 64-63 loss was particularly heartbreaking because SY had dropped a 70-68 quarter-finals game last year.

Although they didn't win the CIF championship they were a legitimate contender, and this year's team will be remembered as exciting, flashy, explosive, and crowd-pleasing. They were truly a team to be proud of.
